Osborne Racing Newsletter #11 – January 2010

The 09/10 season has started late for us but now its all go for the remainder of the season. As you would have noticed the car no longer has a C on the side of it so keep posted for results and updates on how the 16R car goes throughout the season. We will be attending all the major meetings this season including the World 240s, NZ Superstock Champs, Superstock Grand Prix and the Palmerston North Teams Champs. We would also like to do Battle of The Stocks if we get the chance. We put our hand up for the Rotorua Rebels and lucky enough been selected along with some great talent, Kyle, Horse, Lance, Steiny ... really looking forward to teams race with these chaps and representing the Rotorua Rebels again.

A big thanks must go out to these people who have put in a massive effort to get us back on the track this season:

- ❖ Dave at SADT. We really can't thank Dave enough for his continued support over the past few seasons. There is no way our team could compete at the level we do without his much appreciated help and support.
- ❖ Darren for all the time he has put into building the motor.
- ❖ Tiny for the hours he has put into building the truck and the car, he is always on hand to offer help.
- ❖ The local pit crew, Robbie and Hardie who help out each race night at the track.
- ❖ AWS Graphic Design
- ❖ Yaz for her help and continued support
- ❖ Casey, Ashton, Mum and Dad
- ❖ Simon
- ❖ Baldrick
- ❖ Conrad from Action Powdercoaters
- ❖ Sambo for ahhh...ummm...hmmmm
- ❖ Rodney Hern
- ❖ Kevin at Kelford Cams
- ❖ Gav from HPE
- ❖ Geoff from Dyno Power
- ❖ Roger from Tauranga Motor Machining
