### Osborne Racing Newsletter #3 – November 18, 2008

#### **Woodford Glen, November 15, 2008:**

Saturday started off with a mad rush in the shed to get the car ready and after a quick fire-up we loaded the car onto the bus and made our way to the track - after getting there a tad late (8pm!!!!) we had no time for a setup and just finished off the last little jobs before we were up on the grid. Needless to say a few team members were a bit stressed out! After choosing to start from the rear of the grid we did a couple of laps just to get used to the car. Unfortunately the alternator was drawing too much power from the battery which caused the ignition system to fail.

At the end of the night we were allowed to run a couple of hot laps by ourselves. On a track that was less than satisfactory, the car really showed some true potential as we had solved the little niggles that hindered us in the previous two heats. It was pleasing to know that with the new motor and no set-up at all we put in set some pretty quick laps considering this was the first outing in the new car. So for now its back to shed to make some adjustments as we will be heading to Dunedin to try learn some more about the car ahead of the Eagles v Tigers Teams race this weekend.

#### **Thankyou's:**

- A huge thanks must go out to Matt Parkin at Freshair Grafix for another awesome airbrushing on the car.
- Justin Neill for all his help.
- Leigh Murray from Hornby Exhausts.
- Stu from Crossing Bar & Café for his continued support of the team.

#### **Kids T-Shirts Now Available!**

Osborne Racing T-Shirts are now available in kid's sizes, \$25.00 each.  
Get your T-Shirt today by contacting 021 2RACING, or alternatively, come and see the team in the pits, either before or after racing!  
Size range: 4, 6, 8 and 10.

#### **New Sponsor!**

Osborne Racing are proud to announce **Elf Oils** as a new sponsor coming on board for the coming season.
