Osborne Racing Newsletter #4 – December 16, 2008

Charlie's Night – Eastern States Speedway, Blenheim – December 13, 2008:

The Osborne racing team made the trip up to Blenheim for a Charity Meeting and to get some more laps under our belt in the new car. We were hoping for a trouble free night and that we had solved all the little niggles that had hindered us in the previous meetings. The first race was going to be interesting as we had just guessed a set-up and are still learning so much every time we race. It was a good hard fought battle and we came away with a 4th placing.

We made a few adjustments going into the second race and from our grid position and the performance of the car in the first race, we had our fingers crossed for a first win for the season. We chased down 14n Dale Ewers and got passed until he turned us around a lap or so later! A bit annoying as it could've been a first win but hey...that's stockcars!!

We recovered to finish 5th place. The last heat was another hard fought race and eventually we came away with a 4th place. Overall it was great night for us as we head to Nelson for the South Island Championship.

We would like to thank Wade Henshaw Race Engines and Scott Hewson at Top Gear Rotorua for a great chassis and Engine combination that seems to working extremely well, all the Crew that made the trip up and to our fans who chose us for the best presented car prize. Also Thanks to Mikey B who put his In-Car camera system in the car for the whole meeting.

Once again, a big thanks to all our Sponsors who make this possible, it is very much appreciated.

Thanks
Osborne Racing – 16C Superstock.
